

# WOJP07218

WOJP07218

---

---

Beam angle **115 °**

Degree of protection (IP) **IP20**

---

## Technical data

---

|                              |                           |
|------------------------------|---------------------------|
| Code                         | WQJP07218                 |
| Power supply included        | No                        |
| Beam angle                   | 115 °                     |
| Light source included        | No                        |
| Uniformity of color SDCM max | 3                         |
| Working temperature range    | -20/+40 °                 |
| Lifespan                     | 50000 h                   |
| Housing material             | Aluminum                  |
| Degree of protection (IP)    | IP20                      |
| Colour                       | Black                     |
| Dimension (AxBxC)            | 1680X44X74 mm             |
| Assembly method              | On the ceiling, Suspended |
| Application                  | Inside/Outside            |
| Made in                      | PL                        |
