

# Product Data Sheet

## GW38462

DATA CENTER range

Complete system for the connection and distribution of LAN networks in residential and tertiary sector environments. The range includes fibre optic solutions, wall panels, floor cabinets and copper wiring products. Data Center boards and cabinets are available in a wide choice of modularity and different depths (up to 1000 mm), for adapting to every application need.

Made with high quality materials (static flow at full load can reach 1000kg), the products are also characterised by their simple wiring (thanks to large internal volumes) and complete customisation, with removable and reversible front doors.

Category	19" floor-standing cabinet	Material	Steel
Finishing	Textured	Colour	Grey (RAL 7035)
Cabling unity	30 U	Type of door	Reversible
Door opening	135°	Static load capacity	1000 Kilogram
No. uprights	4	Depth (mm)	800 mm
Outer dim. LxHxD (mm)	800x1485x800	IP degree	IP20
Electrocod	3752
