

# WOJ+06465

WOJ+06465

---

---

Voltage **230 V**

Degree of protection (IP) **IP20**

---

## Technical data

---

|                           |                                 |
|---------------------------|---------------------------------|
| Code                      | WOJ+06465                       |
| Voltage                   | 230 V                           |
| Protection class          | I                               |
| Working temperature range | -20/+40 °                       |
| Housing material          | Plastic                         |
| Degree of protection (IP) | IP20                            |
| Colour                    | Black                           |
| Dimension (AxBxC)         | 96x53x35mm mm                   |
| For use                   | Inside                          |
| Assembly method           | on track                        |
| Application               | Adapter to szynoprzewodów<br>3F |
| Made in                   | PRC                             |
| Other                     | 220-250V max. 10A ,             |
