

Ledinaire panel EcoSet

EcoSet BLE IR Remote Controller

Ledinaire remote controller EcoSet, wireless, battery powered

The Philips Ledinaire panel EcoSet (RC075) introduces a unique plug-and-play wireless solution. This LED lighting panel offers an easy way to unlock more energy savings and enables simple automated lighting in offices or schools. Our latest innovation enables our LED lighting panels to work with an external AC-powered PIR sensor to detect motion and daylight. These additional external lighting sensors trigger automated dimming of the luminaire. Setup is simple with the remote, so your lights are ready in no time. Use predefined dim levels or configure them easily via integrated dials. An optional wall switch is available as an accessory for manual control—just in case you need it!

Product data

General Information		Material	
Value ladder	Value	Material	Acrylonitrile-butadiene-styrene
		Ingress protection code	IP20 [Finger-protected]
		Mech. impact protection code	-
		Accessory color	Black
		Net Weight (Piece)	0.070 kg
Operating and Electrical		Approval and Application	
Input Voltage	- V	CE mark	Yes
Line Frequency	- Hz	EU RoHS compliant	Yes
Protection class IEC	-		
Mechanical and Housing		Product Data	
Overall length	174 mm	Order product name	EcoSet BLE IR Remote Controller
Overall width	46 mm	Full product name	EcoSet BLE IR Remote Controller
Overall height	23.5 mm		
Dimensions (Height x Width x Depth)	24 x 46 x 174 mm		

Ledinaire panel EcoSet

Full product code	872016973289699
Order code	911401562743
Material Nr. (12NC)	911401562743
Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	8720169732896

Numerator - Packs per outer box	10
EAN/UPC - Case	8720169732919
