MINI LED FLOODLIGHT

MODEL No: 03006

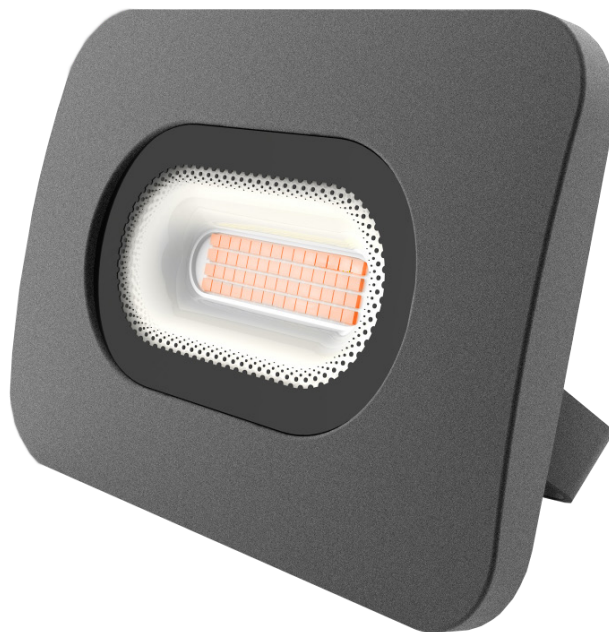

This is an affordable and brilliant LED floodlight which is small in size yet punchy. IP65 rated, meaning it is dust-tight and offers protection from projected water.

Die-cast aluminium body with glass diffuser - durable and offering a permanent floodlighting solution.

The tiltable up and down body allows more choice where the light is directed.

Control gear and built in driver allows for a quick and easy installation.

Installation can be completed without removing the bracket due to the clever quick fix bracket.
